President's Boodskap 2017

Na 'n moeilike en onstuimige jaar in 2016 het ons weer van voor af begin het met 'n nuwe Raad en relatief klein Nasionale Kampioenskappe te Boemfontein met ± 40 ponies. Hierdie jaar kan ons trots wees op 'n Nasionale Kampioenskap met 168 ponies, die grootste sedert 1992. Dit laat my besef dat ons weer op pad is in die regte rigting. Die kinderklasse was groot en dit maak my opgewonde dat die jonger geslag soveel belangstelling toon. Ons het 'n eerste gehad met drie deelnemers wat dit vreeslik geniet het in die terapeutiese klas. Want wat is lekkerder as om op 'n karretjie te ry met 'n Walliese ponie. Daar is nuwe vriende gemaak, vertoners het mekaar help skou en 'n lekker atmosfeer het geheers. Hiervoor kan ek net dankie sê aan al ons vertoners wat regtig moeite gedoen het om dit 'n onvergeetlike skouspel te maak. 'n Spesiale dank aan die Oos-Kaap lede wat ons ondersteun het. Die toeskouers het die "hunter" klas en silky resies vreeslik geniet.

'n Groot dankie aan Sue Cook vir al die harde werk deur die jaar om al die lede versoeke en administrasie te hanteer, en ook aan almal wat gehelp het om die nasionale kampioenskappe 'n sukses te maak. 2018 sal weer vir ons nuwe uitdagings bring met die ekonomie wat so swak is en die aanbod van 'n suksesvolle skou moeilik maak, terwyl alles duurder raak. Met die ledetal wat maandeliks groei en die finansiële posisie van die Vereniging wat veel beter is, is ek seker ons kan net vorentoe beweeg.

Laastens wil ek net graag die Raad bedank vir al hul insette. Ons is 'n lekker span wat saamwerk met een doel voor oë, en dit is om die ras te bevorder in Suid-Afrika. Ek wil graag al ons lede 'n Geseënde fees seisoen en 'n Voorspoedige Nuwe Jaar toewens.

National Championships 2017

For the first time in over twenty years, the Welsh National Championships were held in the Western Cape at Robertson Show. The result was our largest entry since 1992 with 168 ponies and 460 entries.

Although the majority of these entries were Sec. A ponies, visitors from the Eastern Cape brought both Cobs and Sec. B Ponies.

Llandilo Nautilus & Cody Frost

Ben-Hur JTM
Supreme Champion Sec. B

The senior judge, Sydney Kidson, was most impressed with the standard of the Welsh Mountain ponies. The classes were large and the vast majority of ponies were well turned out and beautifully presented. The Senior Champion Sec. A Stallion was Hans Jurie Uys' Uyzel Blazing Spirit, well shown as always by Elton Roberts.

However it was Paul Carsten's mare Pajayhu Snow Lilly who, having won the Senior Mare Championship went on to become Supreme Champion Purebred on Show.

Pajayhu Snow Lilly
(Pajayhu Vic's Boy x Llandilo Snow Crystal)

Although there were very few Partbreds at the show, one combination caught everyone's heart since it featured one of the oldest mares still competing, 24 yr old Koosbad Salome, with certainly the youngest pony at the show, her foal Salutta Shalom Bom Pel, both owned by Stanford Gertse.

Another class which caught everyone's attention was the Young Handler's class

Sedick & Du Dre Sweet Success

As he has done in previous shows, Sedick Amardien's competent handling, this time of a young mare, won him the title of Champion Child Handler. However both this class and the handler 12-15 yrs, won

by Abdul-Basied were strongly contested and this can only bode well for our future.

It was also pleasing to see support for the ridden classes and while most of the ponies in the open classes came from the Eastern Cape, Zada Jacobs on his Section A ponies gave them some tough competition.

Thanks to the Marais family and their Marco ponies, primarily Marco Miss Robinson, we also had really good leadrein and first pony classes.

First Pony Rider: Nazeem Ferguson

The support from our young competitors continued in the Harness classes, which whilst they were spectacular to watch were a nightmare to judge because everyone was so good!

The Western Cape committee's idea of splitting the under 12 class in to "with helper" and "without helper" is brilliant because we could never have judged them all together and, as it was we had to split both classes (as well as the 12 to 18 class) into two pools in order to accommodate all the entries.

The under 12, with help class was finally won by Ibrahiem Amardien, driving in his very first show, whilst Raees Amardien, also driving Hansu Dunrobin won the under 12 without help class.

Ibrahiem Amardien & Hansu Dunrobin

The championship of the pony driven by a driver 12 to 18 was won by Keown Barry after two very hard-fought pools and a final.

Keown Barry & Hansu Express

The children's classes were however, only a fore-taste of what was to come in the Senior classes. For the first time, at a National Championships, a three years and under class & a fine harness class were held. Both proved to be very popular and I am sure they will feature once again in the 2018 National Championships.

As we have come to expect, the senior stallion class had to be split into two pools but this time the class for Mares five years and older also need two pools and a final.

The exciting Supreme Championship took place at prime time on Saturday afternoon and featured the top five from the stallions and mares under five classes and the top five from the Senior Stallion and Senior Mare classes. It was a tremendous competition with huge crowd support but one pony stood out as the unanimous choice of all three judges.

Koosbad Lady Pratco

Koosbad Lady Pratco, owned by Sunset Stud & driven by Moenier Abderouf did not put a foot wrong throughout her classes and in the final Championship immediately caught the eye of judges & spectators alike.

It would be unfair not to end with a comment on the teams of ponies for which the Welsh so deservedly have an excellent reputation. From double harness and tandem through to teams of four and eight the standard was of the highest quality and did our Society proud.

National Championships 2018

The 2018 Welsh Pony & Cob Society National Championships will be held in conjunction with the **Robertson Agricultural Show** from 2nd to 6th October 2018

These championships will only be open to paid-up members of the Welsh Pony and Cob Society of South Africa and no late entries, entries on the day or unapproved changes to entries will be allowed.

The classes will be the same as those offered in 2017 with the possible inclusion of a beginner Drivers' class. The Fine harness will become a Championship class in its own right.

Members are encouraged to put forward suggestions for Judges to Council. The Senior Judge must be on the national panel for Breed, Riding and Harness; the other two judges must be at least on the Regional Panels.

The full judges' list is available on our website.

Members should also indicate if they would like to the Society to bring in a judge from Wales to judge the breed classes and act as one of the harness judges.

PADDOCK HILL SUN COQUETTE – A VERY SPECIAL WELSH MOUNTAIN PONY.

The 2016 WPCS Newsletter carried a note on the unique success of this wonderful pony becoming the first Welsh Mountain Pony Mare to win the SA National Supreme Champion Sec A and Supreme Champion Purebred for three consecutive years. On each of these occasions she had been judged by U.K. judges; Simon Bigley, Steve Everitt and Joanna Sheil. The above Newsletter also noted her defeat of some very successful stallions in achieving this success.

A HAT-TRICK OF SA NATIONAL SEC A SUPREME AND PUREBRED SUPREME CHAMPIONSHIPS

The above triple consecutive wins at National level were perhaps not unexpected since in her two previous National Championships she was placed SA Reserve Supreme Champion Sec A; on the first occasion qualifying as Junior Champion Mare and judged by Jo Lutey; on the second occasion as Senior Champion Mare under U.K. judge, John Hendy. Comments by overseas judges in their written reports of this lovely pony have been gratifying Accordingly, in 2015, on the first leg of her hat-trick wins, Mr. Steve Everitt described her as “exceptional,

deep bodied with excellent limbs, a lovely length of rein and beautiful head and eye.” He added that “[s]he would hold her own in the Royal Welsh”. And in 2016 U.K. judge, Jo Sheil, stated that she had real “look at me presence”, adding that she was also “shown to full advantage” by her handler, Mr. Brian Dlamini.

In her junior years, this remarkable pony was unbeatable, winning five successive Junior Mare Sec A Championships at both National and Regional levels. She was to go on in her senior years to win at Nationals and in the Eastern and Western Cape, Supreme or Reserve Supreme Champion Sec A Mare in every show in which she was entered.

JUNIOR YEARS AS SUPREME AND RESERVE SUPREME SEC A CHAMPION

These consistent wins over her showing years at National and Regional levels have earned her six Legion of Merit Awards and many colourful sashes

Mention cannot be made of the success of Sun Coquette – or indeed of the Paddock Hill “Sun” line – without saluting our dapper little broodmare, Llandilo Sundew. We acquired Sundew from Llandilo Stud. She was in foal - with Sun Coquette - to Llandilo Victor Ludorum (Bukkenburg Valerie x Nerwyn Llewellyn, imported by Llandilo Stud). Sundew herself is the last foal of Torbry Sungleam, who in turn was the product of a father on daughter mating of the imported stallion, Twyford Jock. The latter double mating has accordingly intensified the influence of this very successful showing and breeding stallion in our Stud. Through Sundew’s sire, Llandilo VIP, grandson of Revel Velveteen, we also have strong lines to Revel Velveteen’s best showing and breeding offspring with Coed Coch Nergog, for example the well known full sisters and brother, Bukkenburg Valerie and Vesta and Bukkenburg Vintage. Sundew’s own progeny are the products of four different sires which highlights the importance of good dam lines. In 2015, we showed Sundew at Nationals. We were thrilled when she was placed Reserve Senior Mare Sec A Champion to her daughter, Sun Coquette.

LLANDILO SUNDEW TAKING RESERVE SEC A SENIOR MARE TO HER DAUGHTER, SUN COQUETTE

To the very great credit also of Sundew must also go the string of successes which her other Paddock Hill daughters, Paddock Hill Sun Frolic, Sun Kissed, and Sun Splash have achieved over our eight years of showing both at National and Regional levels. Her son, is the beautiful Paddock Hill Sun Glitter, who is proving to be a very successful breeding and showing stallion; in the latter regard having qualified for the Supreme Championships in all his National and Regional outings, on each occasion also under overseas judges.

PADDOCK HILL SUN GLITTER, OUR STUD STALLION photo by Elpita

Today, our charismatic filly, Sun Carousel is stepping very successfully into the large shoes of her well-known half aunt, Sun Coquette, winning to date a hat-trick of SA and Western Cape Junior Mare Sec A Championships. Of this feisty young mare, Senior International judge, Sue Cook, has written: "In addition to being pretty and feminine this pony moves well", adding that if there had been a Reserve Supreme Sec A Champion class, "she would definitely have been a contender".

The above collection of successes of our show ponies has meant that we have been the proud holders of the coveted Trophy for “Winner of Most Points in Sec A Breed Classes” on several occasions.

SUN CAROUSEL: A TRIPLE SA NATIONAL AND WC JUNIOR MARE SEC A CHAMPION

Sun Coquette has given us a colt, Paddock Hill Sun Laureate (by Paddock Hill Sun Glitter), who as a two year old is showing the great promise and presence which his dam showed at the same age. Sun Coquette's daughter, Sun Garland, is a lovely, very typey Sec A Welsh pony. Recently she has produced a second colt which we have named Sun over Africa

A winning pony takes handling, training and lots of love to win big-time. Brian Dlamini has been with Paddock Hill Stud since its inception. Accordingly, he has handled and trained all our ponies since birth. He has a special bond with Paddock Hill Sun Coquette. Paddock Hill Stud salutes a natural horseman in Brian Dlamini

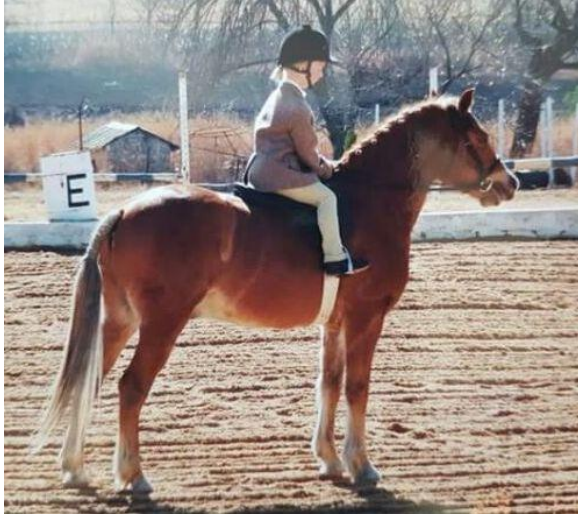

A WINNING TEAM
MR. BRIAN DLAMINI AND PADDOCK HILL SUN COQUETTE

Did we foresee the spectacular success of Sun Coquette? Sundew's breeding of course made her the kind of mare who could produce the best. Would she? At twelve thirty on a hot night in September, Sundew lay down heavily and gave a textbook example of a first birth. During the foal's first struggles to get to its feet - accompanied by some spectacular tumbles - we were able to see that it was a filly. I think we also knew then, even at this early stage, that this first foal of Sundew would forever be our ideal in our future breeding strategy, so splendid was she. We named her Sun Coquette because, even at one hour old she displayed a seductive, undeniable presence, a presence which was to be the hallmark of her very successful showing career and which she is undoubtedly passing on to her progeny

ADRIENNE VAN BLERK WILDERNESS

Hydown Olympic Sportsman

Greenlinks Olympic Marathon x Hydown Stella

Hydown Olympic Sportsman was born in the floods of 1990. According to Pat Moors, Marathon & Stella had a secret liaison which was only discovered when Stella grew wider than her shafts.

As soon as it was possible Pat & Derick went to check that the ponies were alright after the awful storm and found Stella, who had foaled, on her own. Tiny air bubbles revealed little nostrils, the only part of the foal not under water. He was quickly whisked into Pat's kitchen where they worked some magic and he lived there for his first few days. We met Sporty when he was 5 and came to us to be backed. Carol Jeal saw him, fell in love and bought him, in partnership with her father for 5yr old Bexi. They are both the same age, now 27!

Because Bexi was so young and small Sporty was schooled by Bean and ridden by all and sundry, taking many little riders to the top of the line. I remember Bexi riding him, age 5, off lead, in a Dressage for Joy, walk trot 22yrs ago.

We have many memories of him winning but some constantly pop into my mind. Bean galloping him one handed around the track at Bloemfontein where he flattened to a third of his height as he lengthened his stride, always so correct.

Another was his individual test when competing for National Supreme Purebred under saddle to the inspiring music of Chariots of Fire. He gave us goose bumps with his superb performance and the judge said to us afterwards that Sporty seemed to try harder than the others.

I don't think Sporty cares a lot about winning, but he's competitive, brave and enjoys working so much that he jumps in and out of the arena on his own, just for fun. If a young rider steers incorrectly towards a jump or bank he happily takes them over, which can be a bit nerve-wracking at times.

He is possibly one of the aptly named ponies; he treats every workday as an Olympic occasion, a true Sportsman who really loves his job.

Sporty, our teacher, our friend, you make us laugh; you've made us cry tears of joy, tears of laughter.

We are so lucky to know this incredible pony, we treasure your every moment.

Rising Stars

Olivia Morris & Sheridan Okapia

Olivia and Sheridan Okapi's journey with an exciting new series began at the beginning of this year 2017! We decided to enter Olivia and Billy into a new series called The Dressage Rising Star Series. Knowing very little about this when we entered it looked interesting and something new for young riders to explore!

It follows the German format of competition for novice riders so that they gain confidence in the arena. There are three levels, level 1 is lead rein walk and trot on lead, level 2 walk and trot off lead and level 3 walk, trot and canter.

In all the levels all the trot work includes some sitting as well as rising trot. A lot of stress is taken out of competing as the riders enter into the arena as a group and walk around the arena at a safe following distance. They are asked to salute without halting when asked and then one by one are asked to trot a circle showing some sitting and rising trot with a transition to walk, after which they return to the circle with the other ponies. After they have all been judged Jill Taylor, who judged throughout the series, would come and give each child individual encouragement and she positively explained what needed to be worked on and always praised their improvements from qualifier to qualifier. There were four qualifiers and a final Championship Class

which was held at the Cell C Derby! All children receive rosettes and gift bags with treats; the winner always received an extra something special for their pony!

By the end of the series Olivia was managing to do sitting trot keeping her leg position and her hands still and low without the aid of her 'granny strap' which she had relied on during the qualifiers! All the children definitely looked forward to each qualifier! Olivia was lucky enough to have won the Championship Class and the highlight of this was most definitely leading the Derby Parade in front of the Top Show Jumpers and with all the other Derby Winners of each discipline!

This was definitely a lifetime memory made for both Olivia and her special pony Sheridan Okapi!

He was foot perfect in the parade and hopefully promoted our magnificent and incredible versatile Welsh Ponies!

Moving on

The Members of our Society have had a plethora of articles dealing with the background and history of our Society in both Gustav Karlsson's very professional annual Journal and in our Society's regular Newsletters. The Journal, if it still exists, has not been circulated to the Members of our Society for the last few years, and even our Newsletter fell by the wayside during the terms of two alternative Secretaries. Fortunately, with the return of Sue Cook, we are once again being kept up to date with all our activities. Perhaps we should now move on from the past and prepare our Society for what looks like being a very changed future. This year will be our 60th Anniversary and in that time we have been able to continue our momentum in a fairly traditional manner.

For a number of reasons our Members are going to face new challenges which must be met unless we wish to go down the road to disappearance as happened to our sister societies in Kenya and Zimbabwe. In the 1950's there were some very fine Section A's in Kenya, now there are none. In the 1960's Zimbabwe produced some top Welsh stock, but they too have faded away completely. In fact Coed Coch Maddoch, one of the three great Section A sires, with Dyoll Starlight and Coed Coch Glyndwr, was actually sold to a Zimbabwean breeder, but the Coed Coch stud realised at the last minute what a massive loss his departure from the UK would have been, and they sent out Coed Coch Moelwyn instead.

The last five or so years have seen three of our top studs disperse all their stock for various reasons. Freyja, Gwyddls and Llandilo dominated the National Shows when it came to the Supreme Welsh Champion until Paddock Hill burst on the scene. Regrettably most of the prize-winners from those three studs are no longer shown.

The Section A's which are not destined to be used at stud were always a problem to market. While they may well make the best leadrein and first ponies in the world, there is realistically only a market each year for about five or six new entrants. This is far below the number of mountain ponies bred each year.

However there has been a paradigm shift in the interest in Section A's with the welcome arrival of a large number of harness enthusiasts, particularly in the Western Cape, and we now have to recognise that the future of this section lies solidly in whatever efforts are made by our Society to encourage harness classes. An ever-expanding number of our primary and high schools have now adopted equitation as an official school sport. The authorities in charge of this have apparently expressed some interest in including harness activity at school level, especially for those horse-loving scholars who, for whatever reason, do not wish to compete in equitation or show jumping classes. There is talk of harness driving being admitted as an Olympic sport discipline, and this should serve as a huge incentive to get involved. There is hardly a parent alive who does not wish to see his children excel at some form of international sport and this possibility should be pursued with all vigour by both Council and all the Members.

The longest journey starts with the smallest step. If the children of our Members are encouraged to drive, it should not be too difficult to begin with an inter-region schools challenge competition at our National Show, even if we just get going with the Western Cape schools versus the Eastern Cape schools. It would do no harm to copycat this with inter-regional events for senior drivers, perhaps split up into ladies, men and veteran teams. Once this is underway the next step would be to investigate whatever is necessary to award Provincial colours, both junior and senior. Later perhaps, we can even think of National colours, if we can ever afford to bring out three overseas judges to make an International event of this, so they can double up on judging and competing.

If harness classes are the future of our Welsh ponies and cobs, then we do need to take a long look at the Section B's and where they are headed. There is no doubt that there are too many Section B's in this country that realistically are merely slightly over-height Section A's. These particular ponies are the Section B's that can and have competed very successfully against Section A's in harness classes. This puts this section in the fortunate position that they can exploit the harness market and they can continue to sell the Section B colts which look like their counterparts in the UK and Australia to those breeders who wish to produce the most marketable Partbreds.

It is a curious anomaly that Welsh Partbreds usually can be sold for prices far exceeding those reached by their Purebred relations. With the advent of the SA Sport Pony we need to breed the sort of Partbred which is in demand for all the burgeoning inter-school competitors. The ideal type of pony should include the wonderful Welsh temperament and superior looks and hardiness, but should not have the exaggerated knee action required for harness work. Particularly in show-jumping, the most efficient action is low and long, not up and out as is required from our Section A's and our Cobs. The Section B stallion which looks a lot more like a riding pony and is as near as up-to-height as possible, would be likely to give the best results. Breeding is an uncertain art at the best of times and this uncertainty increases if the two parents are of totally different type. A riding pony type Section B stallion, and they are available, to a small Thoroughbred-type mare is the best recipe for producing temperament, movement, athleticism and good looks, and is likely to finish up the right height for the top children riders.

Wherever you go with breeding pure or partbred Welshies your rewards will be great.

Derek Kohler

OBITUARIES

FORESYTE CAMBRIAN PEREGRINE (SMILEY)

13 OCTOBER 1979 - 24 OCTOBER 2017

Aged 13

Aged 37

Early in 1988 we had a small grey pony vetted for potential purchase for our daughter, Helen. It was to be her surprise 8th birthday from her granddad and her first pony. The vet gave us the potential issues he had found and then concluded “and if you don’t buy him you’ll regret it forever” So, we bought him and we never regretted it.

Smiley came to Gauteng (then Transvaal) from KZN with a bit of a reputation. He had been described as ‘dangerous’ a fact we were blissfully unaware of. What we soon discovered, however, was that Smiley was quite obviously closely related to Harry Houdini and could

escape from anywhere if he put his mind to it, even in his twilight years. One of Helen's instructors told us early on that Smiley was 'good enough to take her to the top and naughty enough to make her a good rider' He did both and so much more

It took a little while for Helen and Smiley to bond but when they did they were a formidable team. Their wins and championships are too numerous to mention and cover all disciplines from showing, show jumping, dressage, eventing as well as pony club events. Most importantly he was her friend and he looked after her so carefully. We made a promise to Helen, early on in their years together, that we would never sell Smiley and, as a result, we had 29 happy years with him. His passing has left a huge hole in our lives but also some wonderful (and hilarious) memories.

Farewell little friend and please don't give the angels too much trouble up there.
